Personalities of Keystone Favorites Who Will Be Seen in "Fatty and Mabel Adrift."

Two hundred and eighty-five pounds of fun and frolic are concentrated in Roscoe Arbuckle, who stars with pretty Mabel Norman in the new Keystone "Fatty and Mabel Adrift." Fatty Arbuckle started out in life in 1887, in Smith county, Kansas. His initial weighing showed 16 pounds to his credit and he has been acquiring avoidpools ever since. He began his stage career with a hypnotist and made such a hit as a comical subject that he yielded to the glamour of the stage.

He sang illustrated songs and then added comedy effects and makeup. It finally ended in a clowning act. His first hit was in a musical comedy. In this same year, 1908, he married Minnie Duffee. He played engagements with the Ferris Hartman Opera Company and with Oliver Morosco. Then came a successful tour of the Orient. His entry with Keystone comedies was made in "The Gangster."

Mabel Norman, or "Keystone Mabel," hails from Atlanta and New York but she spent the last few years in Los Angeles. She went from the musical comedy stage into the motion pictures. Her first work was with the Vitagraph and the Biograph companies. Her big picture with D. W. Griffith was "The Diving Girl."

Mack Sennett later acquired her as his leading woman at the Keystone studio. She is popular for her piquant personality and daring.

"Black Fear" a Sensation.

"Black Fear," a sensational five part feature picture produced by Rolfe Photoplays Inc., will be shown at the Alta tomorrow and Wednesday.

An all-star cast will be seen in this production, which will include Grace Elliston, the gifted dramatic star, Grace Valentine, Edward Brennan, John Tansey, and other well known stage and screen artists.

The story of "Black Fear" is an exceptionally strong one, filled with tense and thrilling moments from beginning to end. One of the scenes is a spectacular view of Hades, in which more than one hundred persons appear. This scene is used in an allegorical prologue, on which the main theme of the feature is based.

Another interesting scene is a big hall in progress at the home of a wealthy man in Riverside Drive, who learns that his fortune has suddenly

been lost in Wall street. The next scene shows the exterior of the home as the man leaps from the fourth story window to his death.

He Could Hardly Wear His Clothes

Alvin Sowers, Ade, Ind., endured terrible pains in his back and through his kidneys for eight years before he finally used Foley Kidney Pills. He says: "I would shut up at times so that I could hardly wear my clothes. Secretions were scant and very red. Foley Kidney Pills became what I needed and the first day removed the pain and after taking only three boxes the bleeding was all gone and has never returned since."

Just about everybody who has used Foley Kidney Pills is anxious to recommend them. From every state in the Union come letters praising Foley Kidney Pills because they do cure up and strengthen the kidneys that by their vigorous healthy action get the ill results of over work, old age, indigestion, rheumatism, and the various ailments of the kidneys are lost in a return to health and vigor. Swollen, painful, inflamed and diseased kidneys, 1914 to 1915, should be treated with Foley Kidney Pills.
